(see reverse side for myManitou Media info)

myManitou Media

myManitou is a secure section of the Camp Manitou website that you will want to visit regularly during the summer months. In *myManitou* you can: **view daily photos, send emails to your son(s), watch weekly videos, and read news articles.** It is also the place where you **complete camp forms (medical, activities, profile) and update your personal information during the off-season.** You can also **create guest accounts** for family and friends and **register** for the following summer.

To access, all you need is your email address, and a password that is assigned to you when you first login. You can enter *myManitou* by clicking on the login link on any page of the camp website.

Communication with your camper(s)

Phone calls: Campers are permitted one ten-minute phone call per week. There are no phone calls the first week of camp. Special arrangements can be made for birthdays and other important dates. Details on the phone schedule are sent in June

Packages: Campers are allowed to receive a limited number of packages. Camp personnel will inspect all packages. No food is allowed.

Email and Fax: You may email and fax your camper(s) as often as you wish for no additional charge. Emails and faxes are distributed once a day, including weekends.
